如何用簡短的時間講解三寶

How to briefly explain the Three Treasures

What are the Three Treasures ?

- Heavenly Gate – The Main Gate to our True Nature
- Heavenly Password – The Prayer that helps us focus our thoughts & the Password for us to communicate with the Heaven
- Heavenly Hand Sign – The Contract between Heaven & us (vow to cultivation)

The First Treasure: Heavenly Gate

The eyes are the windows to the soul.

Where is the gate to the Soul?

- God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul. ---Genesis 2:7
- “Who can exit without going through the right gate? Everyone must go through the path of Dao.” ---Confucius (the Analects)
- “I have the great Dharma which is hidden at the eye. It is formless and unique.” -- Sakyamuni Buddha (Buddhism)

Unlocking the holy gate allows us to return to the Source, and find our inherent wisdom and benevolence.

The Second Treasure: Heavenly Password

The Heavenly Password contains 5 words, which symbolize:

Heavenly world: The domain of absolute: “Void”: no boundary Beyond All Spiritual and Physical Reality

Spiritual world: The domain of relativity: Interaction of the Forces of Yin (-) and Yang (+) :invisible world

Earthly world: The domain of physicality: All sensible and tangible beings in which the Buddha Seed of All are sowed

4th & 5th words: True Nature can be extended to the three worlds, and contracted to the Heavenly Gate in every person.

The name of Maitreya Buddha, meaning happiness and compassion.
